

IRLS 504 Winter Session 2006/07

ePortfolio Assignment

Please review the SIRLS ePortfolio website at <http://eportfolio.sbs.arizona.edu>

SIRLS has set up accounts for each of you. Both your username and password are your NetID. Once you enter the ePortfolio site, please click on the 'Articles' link on the navigation bar on the left. Please read the instructions and advice regarding writing reflections and posting artifacts for your 'Competency ePortfolio.'

Your assignment, in addition to reviewing this site, is to write a draft reflection of at least 100 words regarding what you have learned about being a graduate student at SIRLS so far in the IRLS 504 course. Your learning can reference any reading you have done, people you have met, speakers you have heard, and the SIRLS website you have reviewed. Artifacts are not required, although you may want to give that a try!

This assignment will be graded 'pass/not pass' and is due by Monday, January 15th. For questions or comments regarding the content of this assignment, please contact Leslie Kent Kunkel at lkunkel@u.arizona.edu. For questions or comments regarding the technology, contact Beth Hoffman at ehoffman@u.arizona.edu or Prof. Martin Fricke at mfricke@u.arizona.edu.

Have fun!
